The *CEPHALIC PILLS* are the result of long investigation and carefully conducted experiments, having been in use many years, during which time they have prevented and relieved a vast amount of pain and suffering from *Nervous Headache*, whether originating in the *nerve system* or from a *deranged state of the stomach*.

They are entirely *vegetable* in their composition, and may be taken at all times with perfect safety without making any change of diet, and the absence of any disagreeable taste renders it easy to administer them to children.

DR. COLEMAN'S PRIVATE DISPENSARY.

THE attention of citizens, strangers, and others visiting Nashville, requiring medical aid, is respectfully called to this office, No. 21 Dederick street, second floor, between Cherry and the Square.

Dr. Coleman is an old practitioner of medicine; his almost unlimited experience and flattering success for many years past, in the treatment of PRIVATE Diseases, has induced him to devote his undivided attention to all diseases of this nature. Many cases of the most inveterate character have promptly yielded to his improved method of treatment.

Primary, Secondary, Tertiary and Hereditary Syphilis, Gonorrhea, Gleet and all diseases of the genital and urinary organs, meet with no resistance to his remedies.

All female irregularities and functional derangements of the Womb, and the diseases arising from gestation and ill managed parturition.

Every case of Molestation, Rupture, and of Piles, and Diseases of the Rectum, and most cases of Stricture, cured by a process nearly painless. If either of the latter cases is undertaken by Dr. Coleman, a cure is guaranteed, as a careful examination always precedes the treatment. No success or failure by his improved method of operating.

Persons of either sex applying in person or by letter (describing case) on the first symptoms of any acute specific disease, can be cured in most cases, by the abortive method, in forty-eight hours.

Strict confidence, prompt attention, and moderate charges, will govern him with his patients.

No cure or no money used in the treatment of venereal diseases, as he believes (in most cases) it produces a worse disease than that it is given to cure.

Office hours from eight in the morning till nine in the evening. jan 16/62-17

DR. KING'S DISPENSARY FOR PRIVATE DISEASES.

DR. KING, formerly of New York, to the last four years of Louisville, Ky., and who has devoted his attention to the treatment of private diseases for 30 years, flatter himself, having attended to a practice for so many years, and cured so many thousands, he is enabled to cure all diseases of a private nature, no matter how bad they may be from injudicious medical treatment, or from neglect of their own. Dr. King's Dispensary is No. 23 Dederick street, between Cherry and the Square, east of the square, where he cures all diseases of a private nature.

Gonorrhea cured without noxious medicines or interference with business.

Stricture of old or recent date, effectually cured in a few days, by an operation which causes no pain. Where a Stricture exists health cannot be enjoyed. Perhaps no disease causes more mischief and under-goes of constitution as much.

Syphilis, with all the diseases of the skin, growing out of neglect or bad treatment, can be effectually cured in a few days.

Secondary Venereal—Particular attention having been given to this disease, and all the consequences growing out of it, brought on in many cases by the destructive habits of immoderate youth, and excessive indulgence of the passions, a neglect of which will render the constitution, rendering the subject unfit for business or society, and a premature old age.

Females who may be laboring with any difficulty of the womb may rest assured immediate relief.

Persons residing abroad, by writing and stating their case, with age enclosed, direct to Dr. A. King, No. 23 Dederick street, Nashville, Tenn., will have their medicines sent to their address. Office hours from 9 o'clock in the morning until 9 in the evening. oct-10-47
